Locally considerable money changed hands on the constable's race.

## ARMENIAN TO SPEAK AT Y. M. C. A. SUNDAY

Lecturer from Persecuted People Will Tell Actual Conditions There.

Mr. Khamis, an Armenian, who has been educated in the English tongue, and is a very fluent speaker, will tell the people of Bisbee, Sunday afternoon, of the awful persecutions which have befallen his unfortunate race during the present regrettable war. The Armenians, like the Jews in the days of Nebuchadnezzar, have been driven into exile, and a very large per cent of the race has been slain by the Turks and the Kurds. The Kurds are a nomadic tribe of the Turkish Empire, who are to a large extent devil worshippers, who believe that his satanic majesty is to be restored to power and they worship him in the hopes of being in high favor in his coming infernal kingdom.

Khamis will tell of many of the interesting and tragic things in the Armenian persecution. He is a scholar of the Independent College of England, and has been urged to devote his life to the translation of the once noble Armenian literature into the English language, that it may be preserved to the scholarship of the world. He is at present seeking to raise a fund to bring a number of the persecuted families of his race to America. It is to be hoped that a large audience will avail themselves of the opportunity of hearing this man at the Y. M. C. A. at 3 o'clock Sunday afternoon.

DELAWARE PUNCH for men, women and children, 5c. (Advertisement)

### TO THE VOTERS OF WARREN DISTRICT.

It is encouraging to realize that my efforts to give to the county a business administration is appreciated and that my efforts meet with their approval.

JOHN ROCK, Supervisor.

### JOHN STONE ILL.

## HELP FOR WORKING WOMEN

Some Have to Keep on Until They Almost Drop. How Mrs. Conley Got Help.

Here is a letter from a woman who had to work, but was too weak and suffered too much to continue. How she regained health:

Frankfort, Ky.—"I suffered so much with female weakness that I could not do my own work, had to hire it done. I heard so much about Lydia E. Pinkham's Vegetable Compound that I tried it. I took three bottles and I found it to be all my claim. Now I feel as well as ever I did and am able to do all my own work again. I recommend it to any woman suffering from female weakness. You may publish my letter if you wish."—Mrs. JAMES CONLEY, 516 St. Clair St., Frankfort, Ky.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice—it will be confidential.

## NATIONAL MOURNING COSTUME OF RUSSIA

Mme. Eugenie Fonarova in mourning garb.

Mme. Eugenie Fonarova, noted Russian beauty and concert singer, has just arrived in this country wearing the national mourning garb of her nation. The oldest daughter of the czar and a number of court ladies of Petrograd adopted this style and took oath never to wear anything but black on every occasion until Russia was victorious over Germany.

## CHAPLIN COMEDY BIG KNOCKOUT AT ORPHEUM

"The Count" Is Big Card for Playhouse—Triangle Also Good Feature.

Charles Chaplin, at the Orpheum theatre, in "The Count", is one of the best offerings ever made by that imitable comedian of the screen. The comedy is a scream from start to finish and together with the Triangle feature makes a big program.

Within the past ten months, persons of practically every nationality under the sun have appeared in Thomas H. Ince features for the Triangle program. Collectively, they would create a confusion of tongues such as has not been heard since the days of the Tower of Babel. The Chinese, the Hindu, the Japanese, the Italian, the Spaniard, the Mexican, the German, the Frenchman—all have been represented among the players in the various productions at Inceville.

The complement of foreigners was heavily increased during the production of "Civilization's Child," the Triangle feature in which William H. Thompson and Anna Lehr are starred, when nearly a hundred Russian Jews were induced to leave the Russian quarter in Los Angeles and work at Inceville. Many of them were unable to speak more than a few words of English, and the instructions of Producer Ince and Director Charles Giblyn were as Greek to them. They received their orders through an interpreter, Clyde Benson, who plays a prominent part in the production.

The development of Los Angeles into a cosmopolitan city has enabled Producer Ince to have at his disposal types of practically every nationality for his productions. Another advantage is that most of the foreigners who settle in Los Angeles bring with them their native costumes, which lend "atmosphere" to the productions.

Fresh oysters just received at English Kitchen served in any style.

## MEMBERSHIP DINNER AT Y. M. C. A. ONE OF REAL BIG OCCASIONS

One Hundred Men Sit Down to Banquet—Monthly Affair Is Dinner—Given in Honor of Association's New Men.

One hundred men sat down to a banquet at the Y. M. C. A. Wednesday evening, the occasion being the monthly membership feed of that organization.

The custom of the Y is to assemble the new members coming in from month to month in a gathering of this kind so that acquaintanceships may be formed, and also so that the new members may receive first hand knowledge of the purposes and objectives of the Y. M. C. A. movement.

President Arthur Notman acted as toastmaster. The following toasts were responded to and all received hearty applause by the members present.

Professor E. J. Lawrenson, "Idealism."

Mr. A. M. Shambaugh, "Worthy Examples."

Mr. R. V. Johnson, "The Great Temperance Wave."

Mr. Ferdinand Menk, "Why I Joined the Y."

Major Bowker, of Washington, "Greetings from the Capital City of Washington."

Capt. Joseph P. Hodgson, "The State Association Movement."

Mr. Clarence M. Buck, "A Membership Appeal."

Vocal selection, "Boys' Department Trio."

Mr. R. E. Silvey, of Clifton, "The Greatest Need of Clifton."

Rev. Mr. Crockett, "Christian Values."

General Secretary Richardson conducted the closing program by expressing, in behalf of the organization, a hearty welcome to the new recruits. He then had each member present to introduce himself by announcing his name, the state from which he hailed, and the period of

with bandages and contraptions—quit digging with knives and saws. Give me "GETS-IT" every time!" That's what they all say the very first time they use "GETS-IT". It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or corn-fooling to do, no pain that shoots up to your heart. It gets your corns off your mind. All the time it's working—and then, that little old corn peels right off, leaves the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT". Try it tonight.

"GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price by Lawrence & Co., Chicago, Ill. Sold in Bisbee and recommended as the world's best corn remedy by Phelps, Dodge Mercantile Co.
